WHERE I STAND

DEFENDING CAPITALISM

Free markets, not government control, job creation innovation, and opportunity. I will always fight socialism and protect small businesses.

SAFER LOUISVILLE

Law and order matters. I support our police and will support our police to crack down on violent crime to keep our neighborhoods safe.

STRONG ECONOMY

Less regulation. More growth. Better jobs. Washington should help workers succeed, not get in their way.

LOWER TAXES

Kentucky families deserve to keep more of what they earn. I'll fight wasteful spending and tax hikes.
